

USE OF FEDERAL FUNDS CERTIFICATION FORM

While intermediaries use **CCF** funds to build grassroots groups' capacity to provide services to those in need, the **funds may not be used to build** such groups' **capacity to provide** those in need with **programs or services that include inherently religious activities**. Rather, if a sub-award or technical assistance recipient provides programs or services that include religious activities then such activities must be separate in time or location from the programs or services that the organization is seeking to improve through CCF.

I, _____, hereby certify that I am the person responsible for carrying out the activities of, _____, a Faith/Community based organization participating in the Hispanic Capacity Project. I have read the document entitled **Guidance to Faith-Based and Community Organizations on Partnering with the Federal Government**. I agree to use grant funds for authorized purposes only. I will not use Federal funds for inherently religious activities.
